      <div class="about-text">
        <p>
          Hello! I'm a passionate developer based in India who
          enjoys creating things that live on the internet. My
          interest in web development started back in 2020 when
          I decided to try editing custom themes – turns out
          hacking together a re-themed button taught me a lot
          about HTML & CSS!
        </p>
      </div>
    </div>
